## Early Career Women in Finance Conference

### Call for Paper

Dear colleagues,

We are delighted to invite you to the 17th annual Early Career Women in Finance Conference (ECWFC) to be held on Friday, June 24, 2022, in Portland, OR (immediately preceding the WFA annual meeting and at the same place).

The conference is a forum for junior faculty to present research, especially early ideas, and receive feedback from others in a relaxed environment. In the past, we have had a strong set of participants from a range of universities and government organizations. We invite submissions in all areas of finance. You may also choose to attend the conference without being a presenter to benefit from the networking and advisory panel sessions.

If you would like to present, please submit an electronic version of the paper in PDF format no later than Sunday, **April 15, 2022** to [ECWFC2022@gmail.com](mailto:ECWFC2022@gmail.com). We plan to announce the conference program by mid-May.

Please feel free to share this call for papers with early career women in finance that we may have missed (e.g., new hires and soon-to-be graduates).

We hope to see you in Portland!

Best regards,  
Isha Agarwal (University of British Columbia)  
Xinxin Wang (UCLA)  
Nancy Xu (Boston College)
